

FAQs for Multi-Storey Car Park (MSCP or Carpark H) Effective 1 May 2010

1. Why do you build a MSCP?

The building of this car park is in response to the need for more parking facilities in SGH. With the opening of this car park there will be an addition of 600 car park lots for use by our patients, visitors and staff.

Patients and visitors are advised to use public transport when coming to SGH. This will help us to focus on building capacity for clinical patient service facilities so that we can treat more patients in SGH.

Internally, we have raised staff criteria for parking on SGH Campus so as to minimize the number of staff car park lots.

2. Why do you build the MSCP so far away from SGH?

The priority for any available space should be for patient care services so that it is easily accessible by our patients. As a result, the MSCP in its current optimal location.

We continue to appeal to our visitors and patients to use public transport when they come to SGH.

3. You mean I will have to walk all the way to SGH from the MSCP?

To provide a hassle-free service for our visitors, SGH arranges a free shuttle bus service operating on the following days and times

<u>Day</u>	<u>Time</u>	<u>Frequency</u>
Mondays to Fridays	6am to 8.30pm	about 5 to 7 minutes interval
	8.30pm to 10.30pm	about 15 minutes interval
Saturdays	6am to 2pm	about 5 to 7 minutes interval
Public Holidays and Sundays		No service.

This free service will bring you from MSCP to the porch area of Block 4, SGH.

Please wait for pick up from porch area of Block 4, SGH.

4. Will there be still Stack Parking Service in your other car parks?

Yes. SGH continues to provide Free stack parking service in our other car parks (i.e. Car Parks C and E).

5. Is there a revision in car park fees?

Effective 1 May 2010, we have revised from per half- hourly parking to per minute parking.

This is a fairer charging because it is directly based on usage.

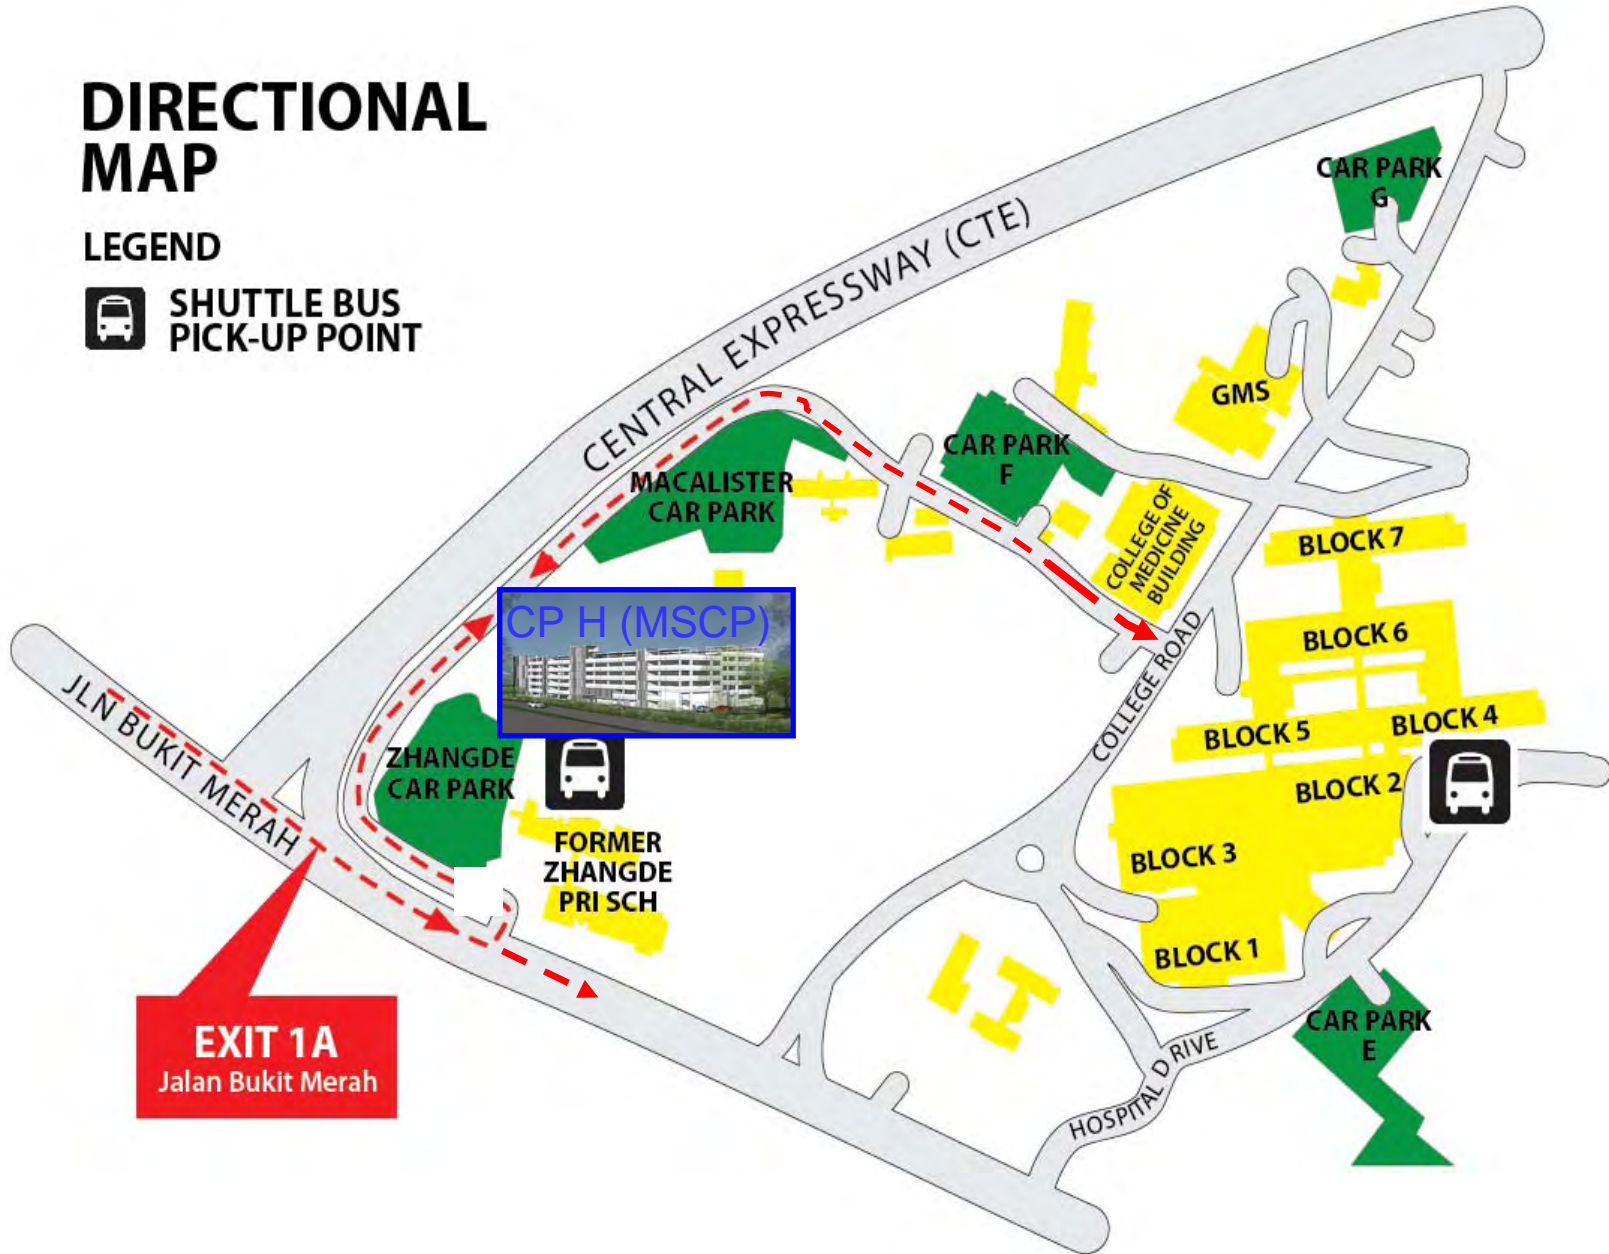

6. Is GST included in your parking fees?

GST is absorbed into the parking charges.
