

## PRE-CONFERENCE WORKSHOP

### ADVANCED POINT-OF-CARE ULTRASOUND WORKSHOP

23 Oct 2019 (Wed) | 7:30am – 12:30pm | Academia

#### ABOUT THE WORKSHOP

This workshop covers advanced principles and practice of ultrasound for clinical scenarios, taught by faculty from the various sub-specialties, each with a wide range of knowledge and experience in teaching ultrasound techniques.

#### LEARNING OBJECTIVES

Participants will learn the advanced application of ultrasound techniques in various body systems, such as lung ultrasound and ultrasound-guided procedures such as manipulation and reduction of fractures and foreign body localisation.

#### TARGET AUDIENCE

Healthcare professionals who possess basic ultrasound proficiency and wish to advance their skills.

#### FEES
