20TH ADVANCED NEURORADIOLOGY COURSE

7 - 8 OCTOBER 2021

This course aims to refresh and update on advances in the practice of Neuroradiology and Head & Neck Radiology from a multidisciplinary approach. We have invited a panel of local and overseas faculty speakers who will share their expertise in their respective fields.

The course – comprising lectures and discussions on diagnostic neuroradiology, head neck radiology and interventional neuroradiology – will be relevant to doctors and healthcare professionals in Radiology, Neurology, Neurosurgery, Head & Neck surgery, Oncology, and other Neuroscience disciplines.
